

Pass-Through Automatic Wire Stripper

Klein Tools Pass-Through Automatic Wire Stripper strips 10-20 AWG solid, 12-22 AWG stranded, 12-2/14-2 NM-B, and 12-2/14-2 UF-B in a one-handed, single-step process. The pass-through design allows for unlimited stripping length, making it ideal for long cable runs. An integrated wire cutter cuts up to 12/2 UF-B cable. The wire stripper fits easily into electrical boxes and tight spaces for accessibility across a variety of applications.

Specifications
